Follwoing are the responses for the questions raised by your April 30, 2008 audit letter.

1) Schedule B Line 30(b) phonebank and postage

These disbursements were made for our GOTV program and did not contain express advocacy.

2) Schedule H4 total calculations

I believe these have been adjusted by amending all 2007 reports in order. Please let me know if that is not the case.

3) Schedule B Line 21 (b)

I have moved the disbursement for "CD's for voter registration program-Kuhn" to Line 30 (b). This was for our GOTV program and did not conatin express advocacy.

Please contact me should you have further questions or concerns.

Sincerely,
Terri Matthews-Controller
